Disc Golf *at Matney*PARK 5790 Lantern Circle, Castlewood Ranch subdivision

HOW TO PLAY DISC GOLF

Disc golf is played like traditional golf. Make your first throw from the tee area. Throw again from where your disc comes to rest, allowing players farthest from the basket to throw first. Keep throwing until your disc reaches the basket. Count one stroke for each throw. Use the scorecard below to keep track.

COURSE RULES

- No more than four players per hole
- Make sure the fairway is clear before you throw
- Stay still and quiet while other players throw
- Stay on the defined paths
- Respect the park and other park users
- Pedestrians always have the right of way
- Do not damage the park's plants or trees
- Use the trash cans for litter
