

## BUCKHORN DISC GOLF COURSE

### Regular Tees

To complete a hole, you must hit anywhere on the top 20 inches of the pole (painted yellow). All 10 holes are par 3.

1 Tee is next to the door of the Motor Shack, just up the trail from the Lodge entrance. The hole is down the hill, across the Bunny Slope, just to the left of the Bunny Shack, about 60 feet past it.

2 Tee is about 20 feet up the Bunny Slope from Hole 1. Shoot across the road, over the fallen log, down towards the left bank of the creek where it goes under Angeles Crest Highway.

3 Tee is on the other side of the creek from Hole 2. Shoot up the creek, over the jumble of rocks just on the right side of the creek. The hole is up about 70 feet and a little to the right, just behind a small tree and in front of a big one.

4 Tee is back across the foot bridge over the creek. Shoot back up the hill and the hole is the same pole as Hole 1.

5 Tee is on the other side of the road from Hole 4. Shoot up the hill, through the creek valley. The hole is just past and to the left of a medium deciduous tree.

6 Tee is next to Hole 5. Shoot back down the creek valley and the hole is about 30 feet down past and to the right of 5 Tee.

7 Tee is on the left side of the road back towards the entrance gate. Shoot back towards the Lodge. The hole is just on the other side of the small, arching foot bridge over the creek below the Lodge.

8 Tee is up the hill, in front of the Outhouse. The hole is up the main rope tow line, just to the left of the Motor Shack, about 70 feet past it.

9 Tee is just up the hill from Hole 8. Shoot down the creek and the hole is the same pole as Hole 7.

10 Tee is on the road, about 100 feet up from Hole 9. Shoot back over the trees, past and to the right of the Bunny Shack. The hole is the same pole as Hole 1.
