HYZERNAUT FARM COURSE RULES

1. Tee markers are the left front corner of the tee box. All throws are to be made to the right and behind the tee markers.
2. Hole number 1 & 10 use the same basket.
3. Fairways are mowed and inbounds. Tall grass is out of bounds.
4. Do not climb any fences to retrieve discs. Areas beyond the fence are private property and trespassing is not allowed. Should you lose a disc in these areas let us know and we will attempt to contact the neighbor to retrieve your disc.
5. Should you lose a disc in one of the swimming pools do not climb the fence to retrieve it. Ask us and we will retrieve it for you. This is a liability issue. Violation of this policy may result in expulsion from Cross Wind.
6. Do not move any tee markers or baskets.
7. There are two tees for each hole marked by a green or red indicator. There is not one color that is easier than another per se, both pose their own challenges.
8. Please dispose of any trash in a trash receptacle. Please do not litter our camp grounds.
9. Smoking is not permitted except in designated smoking areas. No smoking is permitted in front of any building. Please dispose of cigarette butts in the smoking pots.
10. Alcohol is not permitted on the grounds. If you are intoxicated or bring alcohol on the premises you will not be allowed to play the course and will be asked to leave the premises and may not be permitted to return to Cross Wind.
11. Illegal drugs are not permitted on the grounds. If you are under the influence of drugs or have them in your possession you will not be allowed to play the course and will be asked to leave the premises and will not be permitted to return under any circumstances.
12. Cross Wind is a Christian camp and conference center and we ask you to respect our beliefs by behaving and dressing appropriately. Offensive language, clothing with offensive wording or signage, offensive gestures, fighting, arguing or anything that is contrary to Christian beliefs and practices will not be allowed. Anyone who violates this policy will be asked to refrain from such behavior. Should anyone refuse to follow our policies they may be asked to leave and may be prohibited from returning to Cross Wind.
13. We spray the grounds to control noxious weeds, however, we can't get all of them all of the time. Poison Ivy is located in most of the wooded areas along the creeks. If you lose a disc in these areas please be careful.
14. Our grounds are used by many different groups throughout the year. Please be courteous of these guests and be aware that they may be on the course for one reason or another. Use caution when throwing a disc and make sure the fairway and possible path of the disc is clear of pedestrian traffic.
15. Cross Wind is private property and we retain the right to refuse service to anyone for any reason.
16. We will try to keep Hyzernaut Farm open to the public without charge. However, should maintenance issues from trash or violation of the policies become an ongoing problem, we may have to close the course to the public or charge a fee. Your help in keeping our facility clean and trash free will go a long way in allowing Cross Wind to provide a good course and atmosphere for your disc golfing pleasure.
