Special Features

Elevation changes are the best feature.

Favorite Hole(s)

Blue 8. Downhill, with a tree by the basket.

Miscellaneous

This used to be a short, wide open, pitch-n-putt traditional golf course. Lots of green grass, but very few trees.

Comments

From the Short tees (White) this is one of the easiest courses in NC. There are good elevation changes, but it's mostly wide open grass. Best for first time players and kids.
