

DISC GOLF AT WILLAMETTE PASS RESORT

Eighteen holes of challenging downhill Disc Golf fun await you once you reach the top of Eagle Peak via the Oregon Skyway. Our course has been surveyed and approved by the Professional Disc Golf Association.

The course winds down the south slopes of Eagle Peak with magnificent views of Odell Lake and Diamond Peak in the background. Keep your eye out for wildlife including elk, deer, marmots, pine martens, and raccoons, they have been known to linger near the disc golf course in the summer months.

After your game, retire to our 19th hole...the restaurant and lounge in the base lodge. Enjoy our award winning Summit House Pizza and regional micros or other beverages as you reminisce about your day on the slopes.

We hope you enjoy everything Willamette Pass Resort has to offer during your visit and we're glad you're here.
