Disc golf is a family oriented sport played by people of all ages at our 18 hole course. We welcome recreational tourists, youth and adult groups, corporate functions, avid and novice disc golfers. We also offer customized gatherings.

## Our Mission

is to provide a unique family oriented disc golf experience, embracing our heritage with an appreciation of nature

William and Mary Jackson with grandsons Bill and Walter - since 1896. 5 generations on the Homestead

The course layout utilizes the land's natural hills, valleys, trees and pathways, providing a challenging game. Our disc golf course is situated on 23 acres of native pasture land on the Homestead.
