

1. Waterfall Trail - .24 mile. This starts at the office and angles toward the south side of the lake crossing Crackle Rd. before the bridge on Crackle Rd. It stops overlooking the falls and river.

2. Cardinal Trail - .9 mile. This trail follows the maintenance roads and regular roads around the camp. The public is only able to drive on the roads marked for their use. Start at the office and end at Mike's trail.

3. Cabin Trail - .14 mile. This is a short cut going east west going behind the cabins and along side Piotrowski lodge and can be a quicker way to the horse barns and hay wagon trail.

4. Chapel Trail - .13 mile. This trail starts at the second parking lot going between two cabins into the forest. Opening at a hillside overlooking a forest and marsh wet lands. Many wedding ceremonies are held here in the summer.

5. Beaver Land Trail - .5 mile. This is along the river and is in a heavily wooded area. It eventually makes a big circle around some marsh land containing native plants to Northeast Ohio.

6. Large Loop Trail - 1 mile. This trail follows the north boundary of Centerville Mills and fenced in pasture going into the woods and by the river. This is a very scenic trail with many wood animals and plants.

7. Half Loop Trail - .11 mile. An easy trail between the big loop trail and the cardinal trail going along the fence line. This can be used as a short cut.

8. Hay Wagon Trail - .5 mile. This is a wooded scenic trail with an open field in the middle of the trail. There are many native Ohio plants and insects to study in the summer time.

9. Low Rope Course - .13 mile. Short trail with many types of man made obstacles in the trail to challenge every type of hiker. Very similar to a rope course.

10. Mike's Trail - .13 mile. This is a nice short cut across camp going east - west between the low rope course and the office. Some woods and a small dry bed stream merge into the baseball field.

11. Cardinal - Chapel - Beaver Land - Large Loop - Hay Wagon - Cardinal - Mike's Trails - 2.4 miles. These make up the largest continuous trail on the property.
