## Special Features

### Favorite Hole(s)

4. There is a small lake on the left side.

### Miscellaneous

There are serious safety issues with baskets on a school campus, next to many sidewalks and fields, and next to a residential neighborhood. Be careful of others!

### Comments

It was hard to find the first tee, even with a map, then it stunk that 3 baskets were missing. I was glad to finish, and I won't be back again.
