GARLIC MUSTARD AWARENESS!

GARLIC MUSTARD IS A VERY INVASIVE GROUND COVER PLANT. IT CURRENTLY INVADERS THE HEAVILY WOODED PORTION OF THE DISC GOLF COURSE. IT WILL SPREAD IF WE ARE NOT CAREFUL. PLEASE MAKE SURE TO CLEAN AND WIPE YOUR SHOES OFF BEFORE EXITING THE WOODS AND PARK ITSELF. WE DO NOT WANT SEEDS TO BE CARRIED TO OTHER PARTS OF THE PARK OR EVEN ALL THE WAY HOME WITH YOU TO YOUR OWN YARD.

THANK YOU VERY MUCH FOR YOUR COOPERATION!
