Special Features

Fantastic elevation changes.

Miscellaneous

The course is in a "figure 8" design with looping nines so that tees 1 and 10 are near each other. Euphoria factor (after glow) = Very High

Holes Birdied

[White tees] 2, 5, 14, 15, 16 [Blue tees] hole 1

Favorite Hole(s)

4 Blue. A very beautiful downhill, grassy fairway with scattered trees, and thick rough off the sides. 14. A short, very tight, steeply downhill Ace run.

Most Difficult Hole(s)

17. Steeply uphill, tight fairway, basket tucked around a corner. 13. Uphill, tight, long makes it tough to shoot par. 6 Blue it tough too because of its length.

Comments

The course combines a fantastic piece of land with lots of beauty, elevation changes, and terrain variety, with a challenging design and very good infrastructure to make this one of my favorite courses in NC!
