Special Features

Metal bag holders at the tees.

Miscellaneous

1) On the front 9 many of the fairways are unfairly tight, so they're flukey. 2) Short tees- marked by yellow concrete cylinders almost flush to the ground so they're circles. Most are on the same line, just shorter, so nothing is added.

Holes Birdied

5, 13, 16

Favorite Hole(s)

13. A scenic, fun, downhill ace run.

Toughest Hole(s)

15. Long at 385 ft.

Comments

A decent course, but the too flat, too tight, too flukey first 12 holes dulled my interest. I like the back 9 better than the front.
