## Disc Golf Etiquette:

- Throw discs only at targets; never throw a disc at someone or play catch with a golf disc
- Throw discs from furthest out. If you walk past a disc of someone in your group they will have to throw at you.
- Stay on the ground and out of trees and off of fences and disc golf baskets.
- If you find someone else's disc (that was lost) try to return it to them.
- Label your discs so that they can be returned to you.
- Place all trash in trash cans and pick up any litter you see.
- Be respectful of those around you: please curb foul language and do not smoke in the presence of others, especially families and children.

## Disc Golf Rules:

- Disc golf is played like ball golf, using flying discs. One stroke is counted each time the disc is thrown, and when a penalty is incurred. The winner is the golfer with the lowest score.
- Tee throws must be completed within the designated tee areas.
- After teeing off, the player whose disc is farthest from the hole always throws first. The player with the fewest strokes on the previous hole is first to tee off.
- Fairway throws must be made with the foot closest to the hole on the spot where the last throw came to rest. The other foot may be no closer to the hole than the foot on this lie.
- A run-up and normal follow-through, after the release, are allowed more than 10 meters from the hole. Inside 10 meters, a player may not step past his/her lie. "Falling" or "jumping" putts are not allowed inside 10 meters.
- A disc that comes to rest inside the basket or chains constitutes successful completion of that hole. A disc that comes to rest on top of the pole does NOT constitute a successful putt.
