Special Features

Very nicely mowed grass fairways have a Traditional golf feel. There can be lots of wind.

Favorite Hole(s)

14. It has an 18 ft elevation drop on a wide grass fairway with large scenic trees scattered all down both sides.

Miscellaneous

The huge park has almost every imaginable activity. When I played in the early morning there were deer walking around near hole 1.

Comments

This is a pretty good course on nice land, and I had fun playing it. If there were tee signs and tee pads I'd bump my rating up to a 7.
