## Disc Golf Course

### Disc Golf

The objective of disc golf is similar to the objective of golf. Instead of clubs and balls like in regular golf, the playing equipment of disc golf features a wide variety of plastic discs - more commonly known as frisbees - that come in many different shapes and weights. The disc golf target corresponds golf's hole. The winner of a round of disc golf is the one who completes the course with the least amount of throws.

### Safety

Important: Safety is the top priority. Leave plenty of margin for error. Always wait until the hole is clear of all pedestrians. Even after all the safety precautions, in the case you might hit someone with your disc, shout "FORE!" or anything loud to warn others.

This course is designed for beginners, but players of all skill levels can still enjoy it. Recommended group size is 3-5 to ensure speed of play. It takes about 1 hour to play through the course.

### Rules in a Nutshell

- 1 The purpose of the game is to get a disc from the tee to the target with the least amount of throws possible. You may use a selection of discs.
- 2 After the initial throw, the player farthest from the target throws next. Subsequent shots will be thrown from where the disc came to rest. Player will throw as many times as is needed to get the disc to rest inside the target.
- 3 When the disc has been released, the player may follow through. From within ten meters (approx. 33') to the target, the throw is called a putt and cannot be stepped over.
- 4 Each hole is finished when the disc comes to rest inside the target. The player who has completed all holes at the lowest total score, is the winner.
- 5 Please be polite to other users of the area and leave the course in good condition. Please do not litter. You are responsible for every throw you play - better safe than sorry.
