Special Features

Miscellaneous

1) Horrible smell on holes 12, 13, 14; smells like a dumpster or a dump truck because they are so close to the dump! 2) Knee high overgrown grass on 1, 2, 3, 4, 5, 6, 7, 9 made it very hard to find discs. 3) Nasty, oily, oozing water on some holes

Comments

DO NOT go out of your way, at all, to play here! The course player level is confused; it is short but has way too much rough for Red level players. I was exhausted and frustrated battling the thick rough and very glad to survive and finish.
