### Special Features

Lake Reidsville comes into play on holes 14-16. A great creek in the fairway on 18.

### Favorite Hole(s)

### Miscellaneous

Some holes require short, forced lay ups. In the Fall there are so many leaves that it's very easy to lose discs.

### Comments

Nice land with some scenic water. There is still work being done. Some holes have creative designs that are different from the typical fairway and so require different kinds of shots than "the usual". Some will like this and some won't.
