

PHARAOH'S TOMB WHITE BANK PARK

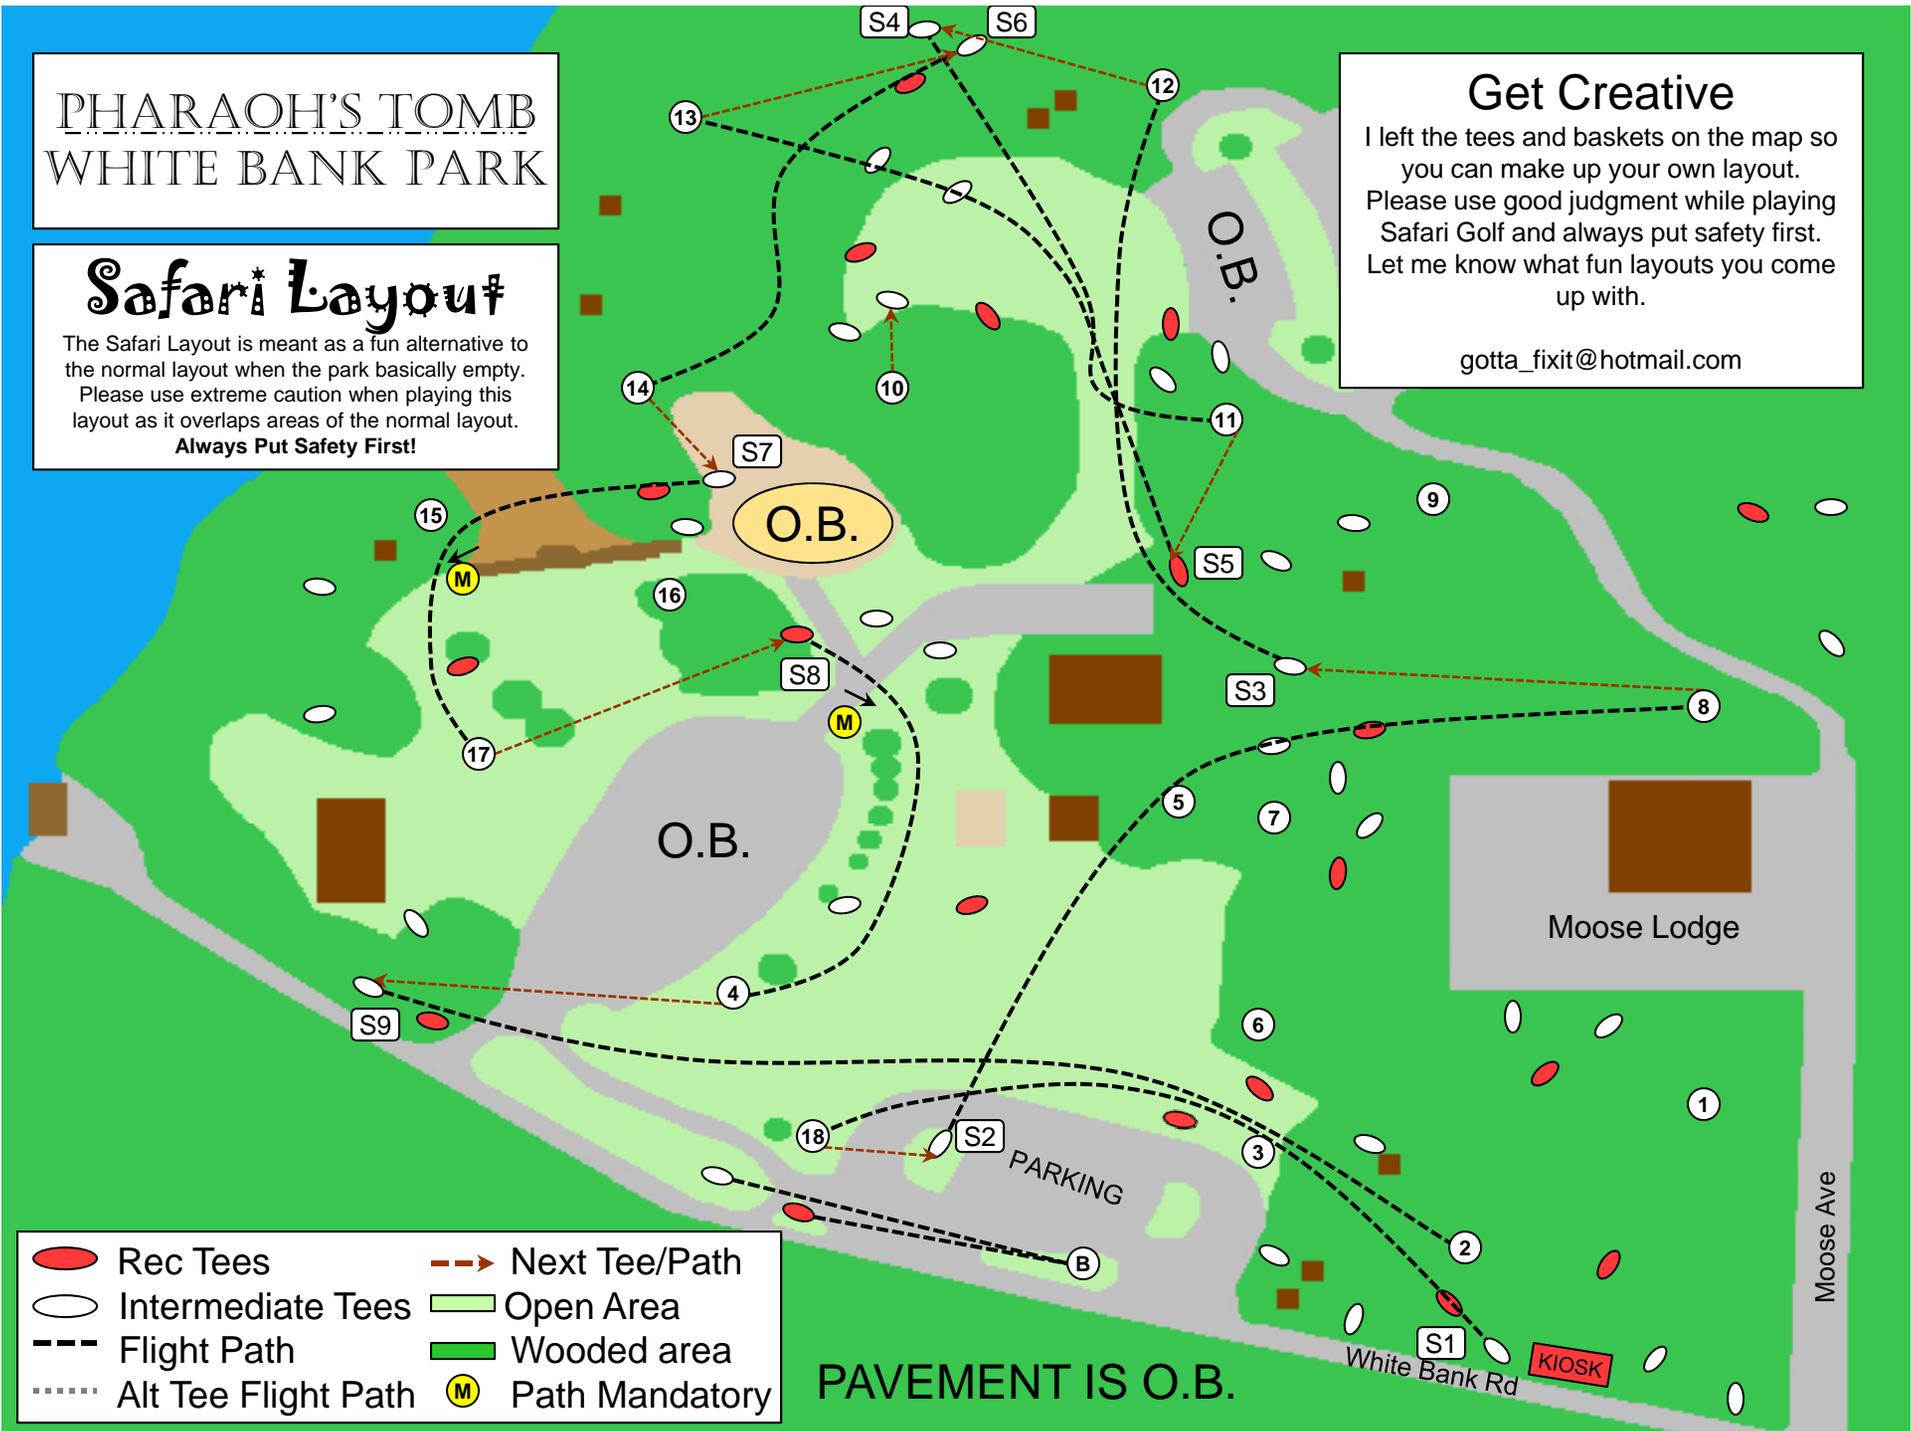

Safari Layout

The Safari Layout is meant as a fun alternative to the normal layout when the park basically empty. Please use extreme caution when playing this layout as it overlaps areas of the normal layout.
Always Put Safety First!

Get Creative

I left the tees and baskets on the map so you can make up your own layout. Please use good judgment while playing Safari Golf and always put safety first. Let me know what fun layouts you come up with.
