OB: Water is obviously out of bounds, as is any road, parking lot, or over a fence. Please do not enter the wetlands project to retrieve a disc.  
 OB: Concrete culvert on 12. Standing water plays casual. Beware sunbathers on 9, send a spotter to the top of the hill to alert unsuspecting parkgoers.  
 Please be courteous as this IS a private course. It is your privilege to play here, so be polite to all other park visitors at all times. Do not litter, throw butts.
