### Special Features

This course is 20 times better than when it was only 6 holes.

### Miscellaneous

1) Some safety issues, especially since there are teenagers in a school setting, 2) On hole 7, the mando that forces an L bend is dumb and should be removed, 3) hole 15 has no fairway and safety problems; I gave it an Enjoyment Rating of 0.

### Holes Birdied

4, 5, 10

### Favorite Hole(s)

4. A cool woods shot, even if it's not too long.

### Toughest Hole(s)

16. For Red level players- because of it's length and the (flukey) mando

### Comments

This course wins the "Most Improved" award. Even with only 11 baskets the 18 hole version is waaay better than the 6 hole version. It's a good way to introduce high schoolers to disc golf.
