2011 ATLANTA OPEN Flyboy Aviation: All OPEN Divisions 4/17/11

Tees - All Open, Advanced and Intermediate divisions will play the gold tee pads (the only tee pads), which are rubber except for #5 which tees off the road marked with Tape. All Recreational and Juniors will play natural tees marked by flags.

Lakes - There are 3 lakes affecting 11 holes. Standard OB rules apply except as noted below and on tee signs. Hole #3 Drop Zone is on the far shore marked by orange cones. Hole #25 Drop Zone is the Junior/Rec tee pad.

Creeks and flowing water - There are several on the course. Follow specific instructions as listed below per hole.

Casual water - There are several areas of casual water. They are listed below by hole.

Log piles - They are on Hole #7 and Hole #13. They have been designated as Casual Obstacles by the TD per 803.05B. You take casual relief along the line of play as far as required to be clear of the logs. TD has designated that there is no stroke penalty per 803.05B.

Roads and paved surfaces - All paved roads and paved surfaces are OB. Beyond any road is not OB. Gravel roads are not OB.

Grass Aircraft Runway - The runway is OB. Runway OB is determined by an imaginary line extending between the stalks of two successive runway lights. If your disc is touching this line you are not OB.

All Buildings - If your disc is completely on or under any part of the structure it is OB.

Mandos - Hole #18 has a triple mando (left, right and upper) formed by trees and branches on the fairway. Hole #27 has a mando just beyond the tee pad on the right side of the fairway. Any missed mando results in a one (1) shot penalty. The Drop Zone for a missed mando is at the designated DZ marker (per 803.12).

Hole Specifics:
