Special Features

Miscellaneous

Lots of traffic noise on Mo-Pac Road really detracts from any feeling of nature. The road is 80 ft from North course hole 2. North tee 4 is only 10 ft from the road! North tee 9 is only 15 ft from the loud and busy highway!

Comments

With the lack of signs and the ensuing confusion to navigate the course, the lackluster design with repetitive holes, and the loud traffic noise I don't foresee playing here again.
